

ABOUT OP HALE

A big warm Aloha from Hawaii! Keith, Mary, and Banyan would like to welcome you to Kealakekua on the Big Island of Hawaii. Upon visiting Hawaii over several years, we fell in love with the islands. In an effort to live a more simple and peaceful life, we moved from the San Francisco Bay Area to the Big Island three years ago.

Keith is a Naturalist Guide for Hawaii Forest & Trail. Mary is currently writing a historical romance spanning 50 years from the Korean War to the present. We hope that you will visit us and begin to ponder your own vision for your future.

MAHALO FROM OUR GUESTS

We enjoyed our stay at this relaxing and beautiful getaway just a short distance from Kona. Nestled in a quiet neighborhood, we felt like part of the community. Our private entrance made us feel like we had a home away from home with our very own lanai with view of the ocean and a Japanese garden. We found ourselves having breakfast on the veranda and being mesmerized by the ocean view.

The ideal location allowed us to kayak and snorkel at nearby bays and to also visit the volcano. Easy access to "down home" restaurants and kayak rental places made our vacation days all the more carefree. We especially enjoyed the hassle-free environment devoid of other hotel guests or dress requirements.

In our spacious and immaculate room, we found ourselves not only able to spread out our personal items but also able to shed everyday stress.

Mary and Keith, you made us feel so comfortable.

Thank you so much for your hospitality. We really enjoyed our stay here at OP Hale. The view here was amazing, the location was perfect for us here at Kona and the room was very spacious. This was definitely the best accommodations we've had here in Hawaii. We will be definitely coming back here again. Mahalo,
